###

Installation Instructions

New Install - **Please Read**

After expanding the zip file, drag the R10Cipher folder into your Applications folder (Macintosh OSX) or Program Files folder (Windows). You can actually put the folder wherever you like, the above locations are only recommendations. To run the program double click the R10Cipher.app file (Macintosh OSX) or R10Cipher.exe (Windows).

Upgrade - **Please Read**

After expanding the zip file, open the R10Cipher folder and drag the R10Cipher.app file (Macintosh OSX) or R10Cipher.exe file (Windows) into your existing R10Cipher folder. When prompted, confirm that you wish to overwrite the existing file.
