

Registration of Sensys Instant XBRL

Once the Sensys Instant XBRL software is installed on your computer, the Sensys InstantXBRL icon is created on the desktop. The next step is to register the InstantXBRL software.

Depending upon whether you are a New User or an Existing User, click on the respective 'Automatic' or 'Manual' block to proceed with the registration of Sensys Instant XBRL software.

Double-click the Sensys InstantXBRL icon from the desktop to start the application. At this stage the following window prompts the user to register the software.

Specify the software key in the textbox and select the option for software registration, either Automatic or Manual.

Note: The software key is hidden in the screenshot since it is a confidential information.

(1) Automatic Registration:

In this case, software will try to register itself automatically. For this your computer should be connected to the internet.

Enter the software key and click the option 'Automatic Registration'.

Automatic Registration (New User)

For a new user, specify the General Information. Select a password and click on the 'Submit' button to complete the Auto Registration as shown in the figure below.

The screenshot shows the 'Auto Registration' dialog box with the 'New User' radio button selected. The 'General Information' section contains the following fields: Company Name, Contact Person, Address, City, State, Pincode, STD Code, Phone 1, Phone 2, Mobile, Fax, Email, Purchased From, and Installed By. The 'Login Details' section contains User Name (with 'IX' entered), Password, and Confirm password. The 'Submit' button is circled in red.

On clicking the 'Submit' button, the Automatic Registration is complete and the user is ready to work with the software.

Automatic Registration (Existing User)

For an existing user, specify the Username(Software Key) along with the password. Next click on the 'Submit' button to complete the Automatic Registration as shown in the figure below.

The screenshot shows the 'Auto Registration' dialog box with the 'Existing User' radio button selected. The 'Login Details' section contains the following fields: User Name (with 'IX' entered), Password, and Confirm password. The 'Submit' button is circled in red.

(2) Manual Registration:

If you do not have internet connection on your machine due to some reason, you can register the software manually.

Enter the software key and click the option 'Manual Registration'.

At this stage, the software generates a machine generated code and prompts for an unlock code.

Click the link 'Visit Website' to get the unlock code as shown below.

On clicking the link 'Visit Website', the application take you to the homepage of our website (<http://www.sensysindia.com>).
